## CARTON SEALERS

*The New Industry Standard for Quality and Reliability*

### **\*Model PP-703**

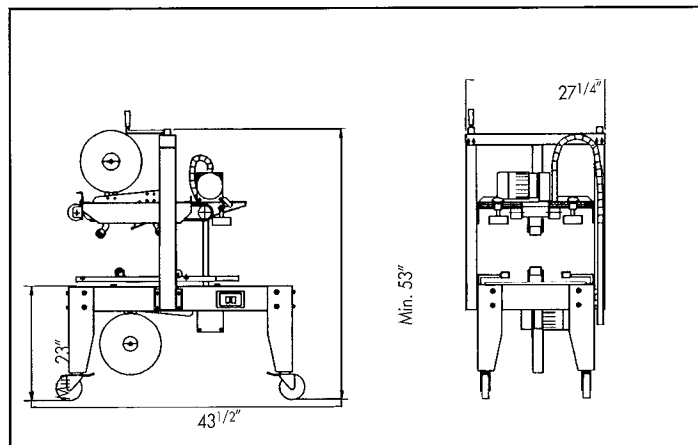

Semi-Automatic Uniform Carton Sealer with Easy Manual Carton Size Adjustment. Top and Bottom - 4 Drive Belt Design. Featuring the New Universal Tape Head that will Run 2" or 3" Tape with No Changeover Required.

\* Shown with Optional Infeed and Discharge Roller

The operator simply folds the top flaps of the corrugated carton and feeds it into the machine. The PP-703 applies a single tape strip to both the top and bottom of the case simultaneously. This 4 belt drive (two top belts and two bottom drive belts) is a heavy duty versatile machine designed for dependable performance and easy operation. The PP-703 can be easily adjusted in only seconds to process a different size carton.
